

Monday Night Adult Bible Study

**At Roland & Nancy Violette's,
8 Upland Road, Lisbon**

On Monday evenings a group gathers to study various books of the Bible. We jointly decide which book to study next. Our evening consists of fellowship, prayer, reading scripture, learning the historical context, seeing what various authorities have to say on the book, and discussing how it applies to our daily lives.

It is an open group and anyone is welcome to join us.
