| Mar. 14: The Case for Marriage | May 9: Love That Lasts a Lifetime |
| Mar. 21: How to Have a Great Wedding | |

This women's Bible Study for single and married women explores the Song of Songs from the Book of Solomon. As the creator of sex, God knows and has imparted the knowledge of the conditions for sex at its best. In fact, God has imparted to us His plan for enjoying great sex. No need to buy the book (the class will have weekly handouts); however, you can purchase "God on Sex" by Daniel Akin.
